

The Poppy Fund at Work in our community

President, Jim White and Vice President, Doug Affleck of Kelowna Branch 26 are pictured donating two blanket warmers to Sun Pointe Village, operated by Baptist Housing, in Rutland—for use by 100 seniors in long term care. (Also pictured is Padre David Ryttersgaard, who serves as the Legion and Sun Pointe Chaplain; Barb, RN and Anissa LPN.)

The Sun Pointe Village care team send a huge THANK YOU! to the Legion for this generous donation valued at \$11,000:

- From a Registered Nurse:

I'm thrilled to hear this announcement! This little thing is a big game changer; having seen and knowing its positive impact on the vulnerable resident. I will now continue gratefully and generously to donate to the Legion's poppy campaign for the rest of my life.

- From a Licensed Practical Nurse

Thank you so much for making this happen! Warm blankets are going to bring a lot of comfort... and smiles!! Really great news!

- From Physio Therapy

These will be such an amazing addition to resident care, comfort and wellness

Generously donated by
The Royal Canadian Legion
